THE

2027 READING CHALLENGE KIT

Fifty-two books, one a week, none of them assigned.

TRACKER · BINGO · MONTHLY LOGS · REVIEWS · YEAR IN BOOKS

The Books Wanderer

How to use this kit

Print what you need, as many times as you need it.

1 **Pick a pace**
52 is the full challenge. 26 or 12 work just as well: choose the prompts you like and skip the rest.

2 **Choose your next three**
Don't plan the whole year in January. Keep three prompts in mind and pick a book that fits one.

3 **One book, one prompt**
A book can only tick one box, even if it fits several. That keeps the year varied.

4 **Colour the shelf**
Each finished book fills one spine on the bookshelf tracker. Use any colour you like.

5 **Play bingo with friends**
Four bingo cards with different mixes of prompts. A line wins; a full card wins the year.

6 **Log the month**
One page a month for titles, pages and stars, plus a quote worth keeping.

7 **Write it down**
Review pages for the books you want to remember, a TBR list and a DNF list without guilt.

8 **Look back in December**
The year in books page turns your logs into a few numbers and a favourite.

Prints well on plain paper. Also works in GoodNotes, Notability or any PDF app on a tablet.
