OPTIONAL HELP

Hints: the letter and shelf

Read one hint at a time. Pause before moving to the next level.

DOCUMENT 01 · THE LETTER

Hint 1. Focus on the five printed lines, rather than the signature or the pencil remark.

Hint 2. Elsie mentions a beginning. What stands at the beginning of each of those five lines?

Hint 3. Take their first letters from top to bottom. Together they spell one of the four compass directions.

DOCUMENT 02 · THE SHELF

Hint 1. Treat each “immediately” clue as a two-book block that cannot be split.

Hint 2. The Glass Orchard / Quiet Garden block must come before the Hidden River / Weather Atlas block.

Hint 3. The Dusk Letters must be before The Glass Orchard. Put it before both two-book blocks, then identify position three.

OPTIONAL HELP

Hints: the cipher and clock

DOCUMENT 03 · THE CATALOGUE

Hint 1. Start with the inscription belonging to the middle book, rather than decoding every card.

Hint 2. The alphabet is mirrored: A pairs with Z, B with Y, C with X, and so on.

Hint 3. The first two letters of XOLXP decode to C and L. Keep applying the same rule to the remaining letters.

DOCUMENT 04 · THE WORK LOG

Hint 1. The combination uses the finishing time. All four durations must be included.

Hint 2. The tasks take 80 minutes altogether. Add that to 09:45.

Hint 3. Add one hour first, then another twenty minutes. Write the resulting time with two hour digits and two minute digits, without a colon.
